Fr. O'Donoghue Health Fails; Resigns

Parishioners of the Church of St. John of the Cross were stunned and saddened on Sunday, when, at all the masses at the church, announcement was made that the beloved pastor, Rev. Daniel O'Donoghue, had resigned as pastor of the church because of ill health. Signs of sadness were evident as the people left the Church, many of them weeping openly.

Monsignor Mc Namara, vicar general of the diocese of San Diego, who officiated and spoke at all masses, as a representative of His Excellency Bishop Buddy, told the congregation that Father O'Donoghue had suffered a nervous breakdown due to excessive pressure of his pastoral duties. He is taking a prolonged rest upon the advice of his physicians during which he hopes to regain his health. He may resume his pastorate after a while if his his health permits, or be assigned to a less active field of duty.

Rev. Father Patrick O'Neil has been named as temporary assistant at the Church pending the appointment of a regular pastor. Father O'Neil is a native of Ireland, and before coming to California was on mission work in North Dakota. He announced that there will be no change in the routine of Church services or parish activities. He is making his home at St. John of the Cross rectory.

Rev. Father O'Donoghue, popularly known as "Father Dan" was one of the best known and revered personages in Lemon Grove. Born in Eire, member of a large family, he was ordained to the priesthood about 19 years ago. He served as curate at Los Angeles and Long Beach before coming to Lemon Grove eight years ago as first pastor of the Church of St. John of the Cross.

During his residence here he has taken an active interest in community affairs, being a dynamic worker and taking great pride in the future of Lemon Grove. He was a member of the Chamber of Commerce and of the Lemon Grove Business Men's Club. He had friends in all walks of life who will miss him greatly.

One of Father O'Donoghue's greatest and latest activities was the building of the Mission Rancho Parochial School which was just recently opened. To the planning and building of the school he gave much time and labor and his break in health is partly attributed to his tireless efforts to have the school completed in time for its opening last Monday.

PAROCHIAL SCHOOL STARTED SEPT. 20

The new St. John of the Cross Parochial School began its first session Monday, September 20, with 160 children enrolled in grades. Three sisters of St. Joseph of Orange are teaching the grades, with the assistance of a lay teacher, Mrs. Joseph Galen, who is in charge of the kindergarten children.

The children have a beautiful new building in which to begin their study, and cafeteria service is available, though no hot meals are being served as yet.

FORWARD CLUB WILL MEET SEPTEMBER 24

The Lemon Grove Forward Club will have its second meeting of the new club year Friday, September 24, at 2 p.m. at the clubhouse.

Mrs. Lee Samuels will be the speaker and her subject will be Parliamentary Law. Hostesses will be Mmes. Fred Wright, Wesley R. Herbert and Fred Johnson. A full attendance is desired.

IMPROVING AFTER EMMERGENCY OPERATION

Mrs. Emily Morse of Palm Avenue entered Quintard Hospital in San Diego last Thursday for an emergency operation and is now reported to be improving steadily.

Monterey Hts. Civic Club Gains Listed

The Monterey Heights Civic Organization will soon start a drive to increase it's membership. Every home owner in the Monterey Heights Sub-division of the Lemon Grove School District is eligible for membership.

The function of the organization should be of interest to each home owner as it's purpose is to set up and support high standards in homes, sanitation, education, and safety within the area, all of which will contribute to the benefit of each family and protect property values.

Through the foresight of the charter members and their concentrated and tenacious efforts, a good foundation was established before the rapid growth of the past two years. An area was zoned for business, and, workable by-laws for the organization were drawn up to keep that civic body alive and functioning.

The rapid growth of the area has created new problems and a number of worthwhile ideas have been put into effect.

The organization was largely responsible for bus service being routed through Monterey Heights between La Mesa and San Diego. Last year free movies were held weekly, and a fine Christmas party was given for the children. In 1947 the organization sponsored the Grossmont Band and Orchestra Parents Club, and has voted to do so again this year. It has sponsored both the Boy and Girl Scout troops. The organization was instrumental in acquiring ten acres through the County offices. This ground is to be the site of the new elementary school near Canton Drive and Glencoe. Construction is expected to begin this fall and be completed in early 1949. Efforts are currently being made to acquire additional lots for a park or playground, a project first proposed in 1946.

Have you noticed the labeling of street names? The organization worked to get those. The County Office has been approached about installing stop signs at busy traffic intersections and steps are being taken for a way to enforce speed limits.

White traffic stripes for streets, the cleaning up of streets, the elimination or correction of tall shrubbery at blind corners have all been put before the County Surveyor and Road Commissioner. Approval has been granted for the widening and paving of Englewood Drive between Barton and Canton Drives, through the efforts of the organization.

The Civic meetings are held the second Thursday of each month. Members are urged to bring a neighbor or newcomer. Your ideas are solicited and your support is needed. Notices of meetings are sent out to members. Watch your newspaper for announcement of the location of the meetings.

In summary, the past accomplishments and the current objectives of the organization are:

HOMES

Restricted standards established for homes and business buildings.

STREETS AND HIGHWAYS

Establishing a business zone. Accomplished.

Widening and paving of Englewood Drive. Granted.

Surfacing of Ensenada near Imperial. Accomplished.

Labeling of street names. Accomplished.

Stop Signs. Applied for, result pending.

Three Hundred Attend House Garden Club Meet

The Spring House Garden Club held a very interesting meeting Sunday at 4 p.m. in the newly renovated Collier Park. The club is composed of members of the Adult Education Gardening Class of Lemon Grove, Spring Valley and La Mesa, and is under the direction of Mrs. Margaret Tipton Wheatley.

About 300 people gathered for the ceremony, many family picnics having preceded the event. Mrs. Carl Zook, past district P. T. A. president, was mistress of ceremonies and Mayor Enoch Anderson of La Mesa made the speech of dedication, thanking the women of the communities for their work and also thanking Councilman Earl Logan who represented the administration's interest in the project.

The Campfire Girls held a ceremonial and Roy Close directed the square dancing after the program. Some of the students arranged a demonstration dance, "The Texas Star" which was beautiful. Folks became well acquainted and sang around the camp fire until nine o'clock.

Boy Scouts directed the traffic for the affair and were well appreciated.

Some of the work the club did to renovate the park was the hauling away of eight truckloads of rubbish, clearing debris from the spring, planting flowers around the spring and veranda, re-roofing and painting of spring house, grading and repairing the roads and installing new sanitary facilities.

The park is now a beauty spot where families are welcome to picnic at any time. The ladies who planned and did all the work modestly disclaim any credit for the project, but the community will be very grateful to them for their efforts.

Craft Meeting for Girl Scouts Tuesday Eve.

A craft training meeting for Brownies and Intermediate Girl Scouts will be held Tuesday evening at 7, at the Community Service Building (Police Station) in La Mesa. The second meeting will be held Thursday September 30 from 1 to 4 p.m. and the third meeting on October 5 at 7 p.m.

Mechanics of Probation Told Business Men

Eddie Wiegle, chief assistant probation officer for the San Diego County Probation Department, told members of the Lemon Grove Business Men's Association at their luncheon meeting Tuesday that all concerned would benefit materially from a better understanding of the law under which the probation department operates.

Before introducing the speaker of the day, chairman Van Gilse called on Chamber of Commerce president James Pearce for a report on the progress of the Lemon Grove Fire District. Mr. Pearce said everything was right on schedule; that necessary papers have been filed and that as soon as legal regulations have been complied with the question will be placed before the people for decision.

Justice of the Peace George White was introduced for a brief report and those present were told that the new court will begin sessions soon after October 1.

For next week's meeting it was announced that the Business Women's League, through their president Mrs. Snyder, have been invited to attend and hear Congressman Fletcher. "In fact", stated the chairman, "all who would like to attend will be welcome, and we hope that a large number will be present."

To make plans for a picnic to be held at a date not yet announced, the chair appointed a committee consisting of Messrs. Everingham, Higgins and McGee.

Summary of Wiegle's Talk

Probation today is not only for Juveniles but for Adults as well.

Adult Division in the Probation Department serves both the Superior and the Municipal Courts.

Adult Department:

1. Investigates applications for Probation and submits reports;
2. Supervises men and women who are granted Probation.
3. Takes action on those who violate terms of Probation.

Benefits of Adult Probation:

1. Probation for Adults is not leniency, but gives the community control over the individual for a longer period of time.
2. Allows restitution to be

.... FRIENDLINESS REIGNS

Most people who come here to shop or to visit say that "Our Town" is just about the most friendly place they've ever seen. Guess the reason for it is that there is no such thing as a "stranger" to anyone here. The merchants and the folks you meet on the street consider everyone a neighbor. Yep, "Our Town" has just about everything . . . it's a town built on friendship and fair dealings. It's a good town in which to live, shop, and do business.

TO ORGAINZE MINERAL AND LAPIDARY CLUB

Many residents of the eastern suburbs of San Diego have expressed a wish for a local gem and mineral society according to Harold W. B. Baker of 7654 Central Avenue, Lemon Grove.

Mr. Baker has sent out invitations by mail and through the press for a meeting to be held Sunday evening, September 26, at 7:30 p.m. in the La Mesa recreation center at 8200 LaMesa Boulevard, for the purpose of organizing. The society will embrace residents of Lemon Grove, Spring Valley, Vista La Mesa, American Homes, La Mesa, El Cajon, Grossmont and surrounding territory. The purpose of the society is to encourage the study and collection of minerals and to promote lapidary work. The forming of a small society in the local communities will enable all residents of these districts to get acquainted, view each other's collections and take field trips together.

Anyone interested in minerals or lapidary work is requested to attend. It is not necessary to have a collection or be doing lapidary work, to join. Those wishing to learn should be greatly benefited.

If a local gem and mineral society is organized, it will affiliate with the State Federation of Gem and Mineral Societies. Members will receive copies of the monthly Mineral Notes and News. All interested residents of this area are urged to attend.

Girl Scouts Plan Activities for The Coming Year

Several Girl Scout leaders, coleaders and councilors met at the school cafeteria Thursday evening, September 16, to make plans for the coming year. Mrs. J. F. Hogan, Girl Scout Director for this area, presided with Mrs. Marguerite Van Derworker from Scout House present to assist.

The Girl Scouts will begin their annual sale of Christmas cards immediately, under the direction of Mrs. Helen Maxson.

A training school for new leaders will take place soon, tentative dates being set for September 28 or 30. These sessions will be held in Collier Park.

Mrs. I. B. Burkett, past president of the P. T. A. and chairman of the Youth Center Movement in this area, announced that at a meeting of the Coordinating Council September 29, Mr. Kenneth Peam will be present to find out if the Lemon Grove community is interested enough in the project, to begin work on a building.

The Day Camp workers who were in charge of Girl Scout Day Camp organizations last summer, reported a very successful and popular session, and a balance of $52.00 from the venture.

Almost enough leaders and coleaders have signified their willingness to take charge of troops of girls this coming year, and a full list of them will be published as soon as available.

BOBBY SUNBURY CELEBRATES BIRTHDAY

A buffet supper honoring the seventh birthday anniversary of their son Bobby, was given by his parents, Mr. and Mrs. Edwin Sunbury of Golden Avenue, Sunday evening. Other guests were Mr. and Mrs. Russel Sunbury and children Shirley and Jimmy and their house guest, Mr. Edward Hilcomb, of Bakersfield; Miss Anna Bettinson and Lola Decker; Mrs. Oscar Sunbury, Carol Dennstedt, Nancy, Janice and Judy Anne Sunbury.

Busi's Women Plan Entertain Co. Federation

The Business Women's League held a very merry meeting at the Community Congregational Church dining room Thursday, September 16, at 12:30. Twenty-eight were present for the luncheon, after which the president, Mrs. Burton Snyder, led a very interesting discussion of the organization's business affairs.

New members introduced were Mrs. Lewis McGee, of the Sugar Plum Shoppe, Mrs. Sexton of the new Drug Store, and Mrs. Hal Huepsch of the local Cleaning Plant. Guests, or prospective members were our genial Postmistress, Miss Charlotte Nicholson and Mrs. Brent Payne of the Lemon Grove Review. Other guests were Mrs. Josie Kennedy and Miss Janet Baxter.

It was announced that 28 members had gone on tours of the Chevrolet plant, and the funds thus earned were to be used to aid two very needy children.

The executive board had a meeting at the Baxter home and planned a dinner dance to entertain the county federation members in November at the El Morocco Club.

Coordinating Council Meeting Announced

The Coordinating Council meeting held recently was discussed, and a full attendance urged for the next meeting to be held at the V. F. W. Hall September 29. Mr. Louis McGee will cook the dinner, which will be served at 7:00 p.m. at a nominal charge.

Kenneth Beane will be present to assist and all interested persons and club and group representatives are urged to attend. It is hoped that there will be as nearly as possible, a 100% representation of all clubs, churches, and other groups in the community.

Announcement was also made of several adult school classes opening in the near future.

This group is getting well acquainted now and having such good times. It was decided to have a picnic for all members and their families at Eucalyptus Park, Sunday, September 26, at 2:30 p.m. A committee to arrange the program and other details, was appointed. It includes Mmes. Ernest Sunbury, George Dickinson, Stanley Blake and P. T McGuire.

FORWARD JRS. PLAN BOX SOCIAL FOR TUESDAY

The Forward Club Juniors of Lemon Grove are planning a Western Box Social for Tuesday, September 28 at 7:00 p.m. at the club house. The boxes will be auctioned during the evening.

Round and square dancing will be enjoyed under the direction of Mr. and Mrs. Sidney Close. The social is open to members and their friends. All will bring their own table service. Coffee will be served. Mrs. David Hartigan is chairman of the social.

Young Mrs.' Dinner Set For October 1

The Young Mrs. Club of the Community Congregational Church will serve a meat-loaf dinner Friday evening, October 1, in the Church dining room beginning at 5:30. This group of young married women are giving this dinner as a benefit for the building fund. The charge for the dinner is very nominal and everyone is urged to attend.

You are advised to come early as these church dinners are always very popular.

L. G. C. PEARCE ILL IN SAN DIEGO HOSPITAL

Mr. George Pearce, Jr., of Des Moines, Iowa, flew here Friday to see his father, L. G. C. Pearce of Palm Avenue, who is ill in a San Diego hospital.

Mrs. Esther Jackson, sister of the senior Mr. Pearce, is here to visit her brother in his illness.

New School Bus Is A 'Honey'

The new school bus arrived last week and the driver, Mrs. Myrtle Schmidt, is very pleased with it. She thinks it has more power and handles easier than any bus she ever drove before.

It has a White motor and chassis with a Superior body which was manufactured in Lima, Ohio.

The bus has a "dropped frame" which is lowered over the axles to make it easier for children to enter. There is a davenport seat across the rear, with a safety door above to be used as an emergency exit if necessary. The bus is upholstered with a new plastic fabric, which looks like leather, but is far more durable.

There are two safety arms, one in front and one in the rear, now demanded by California law. It is modern in every respect and will comfortably hold 57 children. The school district is very happy to be able to furnish such a fine means of transportation.

Campfire Leaders Hold Training Meeting

A Leaders' Training Meeting of the Camp Fire organizations was held for all leaders and assistants of this district at the Community Congregational Church basement Tuesday morning at 10:00 a. m. Next week announcement of leaders and meeting time and place will be made in full.

The organization wishes to express thanks to J. A. Van Gilse, who gave each person free theatre tickets for assisting with the luncheon program of the Camp Fire Girls last week.

Several of the Camp Fire Girls assisted with the Camp Fire and presented an effective little ceremonial at the tea and dedication of Collier Park Sunday afternoon. Girls who participated were Barbara Bates, Flossie Hemmer, Shirley Taylor, Frances Whiting, Donna Shafer, Florence Porter, Esperanza Nunez, Marlene Foster and Glenna McCallister.

New Plan Proving A Success at Church

The Community Congregational Church, under the leadership of Rev. Dan Apra, had a very successful Sunday with the use of the new plan, whereby the first service began at 9:30 with the regular morning worship service followed by Sunday School classes, which will close at 10:50. This service is recommended for parents with young children under 10. For adults and older children there will be the regular services at 11:00 a. m., the pastor delivering the same sermon at that time. There were 184 in the two services last Sunday The average attendance during the past seven weeks has been 116. That figure during a polio epidemic is very encouraging.

Marty Philip, an eleven year old boy, will sing a contralto solo at the Lemon Grove Congregational Church Sunday morning. He is a student of Fred Flanagan and his selection will be entitled, "Face to Face".

GUEST AT DINNER SUNDAY

Mrs. Oscar Sunbury was a dinner guest Sunday of her sister and husband, Mr. and Mrs. Wilbur Foote.

In the afternoon they called on Mr. and Mrs. Herbert M. (Hub) Foote in San Diego to see the new baby, Susanne, who was born September 1. This is their second child. Mr. Foote is a student at State College, where he is studying to be a coach.

THINGS YOU SHOULD KNOW ABOUT PAINT
Some Do's and Don't's on Painting Outside

Do repair leaky roofs and gutters before painting.
Don't paint when it's below 50° or above 90°.
Do allow all surfaces plenty of time to dry.
Don't try to paint over tar and gravel roofs.
Do seal knots with shellac before applying priming coat.
Don't try to paint over loose, scaling paint. Remove it.
Do see us for complete instructions before you paint. We'll show you the newest in "Dutch Boy" blended colors. We also have a complete line of painting supplies—brushes, ladders, scrapers, etc.

MECHANICS OF PROBATION TOLD BUSINESS MEN

(Continued from Page 1)

made in cases where restitution is necessary.

3. The Probationer can continue to be a useful member in the Community.

4. The Probationer can support his family rather than have the family become dependent upon society.

Juvenile Department:

The Juvenile Department is divided into two Juvenile Divisions, delinquents and dependents. Over half of the case load in San Diego County is comprised of dependent children.

In the Juvenile Department the following types of cases are handled:

1. Dependency where a parent is unfit or where parents are deceased or have abandoned the children.
2. Delinquent Children.
3. Step-parent adoptions.
4. Investigations to determine divorce custody for the Superior Courts.
5. Transients.
6. Investigate and complete out of town queries for other Counties within the State and for other States.

The three phases in combatting delinquency are prevention, control and treatment.

Prevention means adequate housing, health, education, recreation, proper moral and ethical standards, recognition and treatment of predelinquent trends.

Control is law enforcement, which means proper laws for licensing and controlling commercial amusements and giving the Probationer careful supervision so that he will not return to a pattern of delinquency.

Probation is the first step in rehabilitation, with institutions for those who cannot profit by rehabilitation in their own home or community, and intelligent parole for the adults.

Juvenile Court is a private hearing with only the parents, the Probation Officer, and the Juvenile Court Judge present.

When it is felt that a home placement is not adequate to meet the child's problem, the following resources are available:

Placement in a relative's home, placement in a licensed boarding home, for boys, placement in either the Junior or the Senior Division of the Mt. Woodson Forestry Camp, placement in a private institution such as the Boys and Girls Aid or San Diego Childrens Home, placement in private schools outside of the County, such as the Lytton School for Boys and Girls or the Convent of the Good Shepherd in Los Angeles, and finally, the California Youth Authority.

George White Honored On Birthday

Last Thursday afternoon a group of friends gathered at the office of Realtor J. B. Pearce to honor Justice George B. White, who was observing his birthday. There were informal talks by the honored guest and others and Mr. White was the recipient of many gifts. Among those present besides Mr. White, were Ted Haaf, Jim Pearce, Ray Adlfinger, Dan J. Keller, Jack Sanders, A. M. Wilson, J. A. Hill, Tony Sonka, Carl H. Polzin, Brent W. Payne, Stan Blake, Dick Burgess, Walter W. Williamson and Robert L. Lindley.

SCHOOL NOTES

School Superindent Byron Netzley found over 100 school desk outfits just arrived, unassembled Saturday, September 18. He called on the P.T.A. for volunteers, and several men gathered Saturday, working most of the day assembling these seats and desks.

Among those who aided with the necessary work were Messrs. I. B. Burkett, Frank Greenlee, Hoover, Brent, L. F. Herder and son Carl, John Milne, George Bruner and Byron Netzley.

Members of the P. T. A. visited each classroom in the school Sunday, leaving a welcome note and a bouquet at each teacher's desk.

It was announced that there are now 1200 pupils enrolled in the Lemon Grove School. At the close of the last school year there were approximately 1050 pupils attending.

KILBOURNS RETURN FROM TRIP

Mr. and Mrs. E. F. Kilbourn made a six weeks business trip to Denver, Colorado, and visited relatives at Rapid City South Dakota, returning with personal belongings to occupy their new home at 1787 Dupont Drive.

The report was that they could tell the temperature of the day crossing the desert by the length of the dog's tongue. By the time they reached Lemon Grove, however, his mouth was closed.
